WFB 32-20

A technical line drawing of a 3/4 inch NPT female plug. The plug has a cylindrical body with a large circular opening on the left end. On the right side, there are two smaller circular openings, one of which is partially filled by a 1/2 inch NPT male plug. The male plug is shown as a smaller cylindrical component with a threaded end that fits into the female plug's side port.

WFB 32-20

A technical line drawing of a 3/4 inch NPT female plug. The plug has a cylindrical body with a large circular opening on the left end. On the right side, there are two smaller circular openings, one above the other. A 1/2 inch NPT male plug is inserted into the upper of these two smaller openings. The male plug has a threaded section and a flange at its end. The drawing is a perspective view showing the top and side of the assembly.

WFB 32-20

Technical drawing of a 3/4 inch NPT female plug with a 1/2 inch NPT male thread on the side.
