

A technical drawing of a hydraulic cylinder. It features a long, horizontal cylinder body with a mounting bracket attached to its side. At the right end of the cylinder, there is a 90-degree elbow fitting. A small, vertical pipe or hose connection is attached to the top of this elbow. The drawing is a line art representation, showing the cylindrical shapes and the structural details of the bracket and fitting.

Technical drawing of a 1/2 inch NPT x 1/2 inch NPT Tee with a 1/2 inch NPT x 1/2 inch NPT Tee. The drawing shows a side view of the tee fitting, which has a 1/2 inch NPT x 1/2 inch NPT Tee on the top and a 1/2 inch NPT x 1/2 inch NPT Tee on the bottom. The drawing is labeled with dimensions and part numbers.

A technical line drawing of a hydraulic cylinder. It features a long, horizontal main body with a flange at the right end. A 1/2 inch NPT port is attached to the top of this flange. A mounting bracket is shown attached to the side of the cylinder body.

Technical drawing of a Tee fitting. The drawing shows a Tee with a 1/2 inch NPT x 1/2 inch NPT Tee. The drawing is a perspective view showing the Tee's structure and the connection points.
