

Schaft 25

A technical line drawing of a mechanical component, possibly a pump or valve, shown in a cross-sectional view. The component has a cylindrical body with a flange on the left side. Inside the cylinder, there is a central shaft or piston rod with a circular head. The drawing uses hatching to indicate different materials or sections.

Schaft 25

A technical line drawing of a mechanical component, possibly a pump or valve. The drawing shows a cross-section of the component, revealing internal features like a central shaft or piston rod. The component has a complex, multi-faceted shape with various ports and mounting points.

Schaft 25

Technical drawing of a mechanical component, likely a valve or actuator. The drawing shows a cross-section of the component, revealing internal features such as a central shaft or piston rod, a valve seat, and a spring mechanism. The component has a cylindrical body with a flange on one end and a mounting bracket on the other. The drawing is a line drawing with no shading.
