This diagram shows an exploded view of a shaft-hub assembly. A shaft with a central hole is positioned to be inserted into a hub. A snap ring is shown in the process of being slid onto the shaft to secure the hub in place.

HSK 63

This diagram shows the front cover and front plate assembly. The front cover is a cylindrical component with a central circular opening. The front plate is a flat, circular component with a central circular opening and four small, rectangular protrusions around its perimeter. The front plate is shown being inserted into the front cover.
