

A technical line drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a flange at the rear. The front has a large circular opening. A smaller circular feature is visible on the side of the front section. The rear flange has a rectangular cutout and a small circular feature.

HSK 63

HSK 63

A technical line drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The fitting is shown in a perspective view, highlighting the internal threads and the plug's external threads.

HSK 63

A technical line drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a flange at the front. The flange has a central circular opening and a smaller circular feature. The body has a threaded section with a hexagonal nut and a locking mechanism consisting of a lever and a pin. The drawing is oriented horizontally.

HSK 63

A technical line drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a flange at the front. The flange has a central circular opening and a small rectangular slot. The body has a threaded section with a hexagonal nut and a locking ring. The drawing is shown in a perspective view.

HSK 63

A technical line drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The fitting is shown in a perspective view, highlighting its cylindrical shape and the internal thread. The male plug is inserted into the fitting, demonstrating the connection. The drawing is a black and white line art, typical of technical manuals.

HSK 63

A technical line drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The fitting is shown in a perspective view, highlighting its cylindrical shape and the internal thread. The plug is shown inserted into the fitting, demonstrating the tight seal created by the NPT threads.

HSK 63

A technical line drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a threaded end on the left and a flange on the right. The flange has a central raised area with a small circular feature, and a side port with a threaded cap. The drawing is a perspective view showing the top and side of the component.

HSK 63

A technical line drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a flange on the right side. The flange has a central raised area with a small rectangular slot. The left end of the connector has a threaded port. A 1/2 inch NPT male plug is shown inserted into the left port. The plug has a hexagonal base and a threaded shaft that fits into the female connector's port.

HSK 63

A technical line drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a threaded end on the left and a flange on the right. The flange has a central raised area with a small rectangular slot and a circular hole. The drawing is shown in a perspective view.
