

A technical line drawing of a 1/2 inch NPT male pipe fitting. The fitting is shown in a perspective view, highlighting its threaded end and the hexagonal nut used for assembly. The drawing is clean and precise, typical of engineering specifications.

HSK 25

HSK 25

A technical line drawing of a 1/2 inch NPT male pipe fitting. The fitting is shown in a perspective view, highlighting its threaded end and the hexagonal base for mounting. The drawing is clean and precise, typical of engineering specifications.

HSK 25

HSK 25

A technical line drawing of a 1/2 inch NPT male pipe fitting. The fitting is shown in a perspective view, highlighting its threaded end and the hexagonal base for mounting. The drawing is clean and uses standard engineering conventions to represent the geometry of the part.

HSK 25

A technical line drawing of a 1/2 inch NPT male pipe fitting. The drawing shows a cylindrical body with a hexagonal nut on the left end and a threaded section. The threads are shown as a series of parallel lines on the outer surface. The drawing is oriented horizontally.

HSK 25

A technical drawing of a 1/2 inch NPT male pipe fitting. The drawing shows a cylindrical component with a hexagonal base for mounting. The hexagonal base has a central circular hole. The main body of the fitting has several concentric rings, indicating different diameters or threads. The drawing is a perspective view, showing the front and side of the fitting.
