HSK 63

A technical line drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a threaded end on the left and a flange on the right. The flange has a central raised area with a small rectangular slot and a circular feature. The drawing is shown in a perspective view.

HSK 63

HSK 63

Technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows the internal threads of the female fitting and the external threads of the male plug, which is inserted into the fitting.

HSK 63

HSK 63

A technical line drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a flange at the rear. The front has a large circular opening. A 1/2 inch NPT male plug is shown inserted into the front opening. The plug has a hexagonal base and a threaded section. The drawing is a perspective view, showing the internal threads of the female connector and the external threads of the male plug.

HSK 63

A technical line drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The fitting is shown in a perspective view, highlighting its cylindrical shape and the internal thread. The plug is shown inserted into the fitting, demonstrating the tight seal created by the NPT thread design.

HSK 63

A technical line drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a flange at the front. The flange has a central circular opening and a smaller circular feature on its outer edge. The main body has a threaded section with a hexagonal nut and a locking mechanism consisting of a small pin and a spring-loaded lever.

A technical line drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The fitting is shown in a perspective view, highlighting its cylindrical shape and the internal thread. The plug is shown inserted into the fitting, demonstrating the tight seal created by the NPT thread design.

HSK 63

A technical line drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a threaded end on the left and a flange on the right. The flange has a central raised area with a small circular feature, likely a pressure relief valve or a mounting point. The drawing is shown in a perspective view.
