

**10852409**

A line drawing of a cable tie. It has a rectangular base with two vertical slots on the left side. A small, curved hook-like piece is attached to the right side of the base. A long, cylindrical tube extends from the right side of the base, curving upwards and then back down to the right.

## INDEX CAPTO C3

**10852409**

A line drawing of a cable tie. It features a long, cylindrical body and a head with a ratchet mechanism for locking. The head is shown in a perspective view, highlighting the teeth and the locking lever.

INDEX CAPTO C3

**10852409**

A line drawing of a cable tie, showing a long, flat strap with a locking head. The head has a rectangular base with a small tab and a curved, hook-like top. The strap is shown extending from the head.
