

## INDEX CAPTO C3

INDEX CAPTO C3

A technical drawing of a mechanical assembly. It shows a cross-section of a shaft. A nut is threaded onto the shaft, and a lock washer is positioned between the nut and the shaft to prevent the nut from loosening. The drawing is a line drawing with hatching to indicate the different components.

INDEX CAPTO C3

INDEX CAPTO C3

INDEX CAPTO C3

A technical line drawing of a ball valve handle assembly. It shows a cross-shaped handle connected to a lever arm, which is attached to a ball valve body. The handle is shown in a partially open position.

INDEX CAPTO C3

INDEX CAPTO C3

INDEX CAPTO C3

A technical drawing of a shaft-hub assembly. The shaft is shown in cross-section on the left, with a keyway. The hub is shown in cross-section on the right, with a keyway. A key is shown in cross-section, fitting into the keyway of the shaft and the hub. The assembly is shown in a perspective view, with the shaft and hub connected by the key.

INDEX CAPTO C3

INDEX CAPTO C3

INDEX CAPTO C3

A technical drawing of a shaft-hub assembly. The shaft is a simple cylinder. The hub has a cross-shaped profile with four rounded lobes. A rectangular key is seated in a keyway on the shaft, which is aligned with a corresponding slot in the hub. The drawing is a line drawing with no shading.

INDEX CAPTO C3

A technical line drawing of a ball valve handle assembly. It shows a cross-shaped handle connected to a lever arm, which is attached to a ball valve body. The handle is shown in a position where it is perpendicular to the valve body.
