

A technical line drawing of a 1/2 inch NPT female fitting. The fitting has a large, circular flange with a central threaded port. A 1/2 inch NPT male plug is inserted into the port. The drawing shows the internal threads of the port and the external threads of the plug.

WFB 32-20

Technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows the internal threads of the female fitting and the external threads of the male plug, which is inserted into the fitting.

WFB 32-20

A technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows the internal threads of the female fitting and the external threads of the male plug, which is inserted into the fitting. The drawing is a perspective view, showing the circular flange of the fitting and the cylindrical body of the plug.

WFB 32-20

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with four mounting holes. A 1/2 inch NPT male plug is inserted into the center of the fitting. The plug has a hexagonal base and a threaded section. The drawing is a perspective view, showing the top and side of the fitting.

WFB 32-20

WFB 32-20

A technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows the internal threads of the female fitting and the external threads of the male plug. The plug is shown inserted into the fitting, with a sealant applied to the threads.

WFB 32-20

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with a central threaded port. A 1/2 inch NPT male plug is inserted into this port. The plug has a hexagonal base and a threaded section. The drawing is a perspective view, showing the top and side of the fitting.

WFB 32-20

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with four mounting holes. A 1/2 inch NPT male plug is inserted into the center of the fitting. The plug has a hexagonal base and a threaded section. The drawing is a perspective view, showing the top and side of the fitting.

WFB 32-20

A technical line drawing of a mechanical component, possibly a valve or actuator. It features a central cylindrical body with a flange on the left side. A handle or lever is attached to the left side, and a threaded rod or stem extends from the right side. The drawing is a cross-section, showing internal details like a central shaft and a flange with mounting holes.

WFB 32-20

A technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows the internal threads of the female fitting and the external threads of the male plug. The plug is shown inserted into the fitting, with a sealant applied to the threads.

WFB 32-20

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with a central threaded port. A 1/2 inch NPT male plug is inserted into this port. The plug has a hexagonal base and a threaded section. The drawing is a perspective view, showing the top and side of the fitting.

WFB 32-20

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with four mounting holes. A 1/2 inch NPT male plug is inserted into the center of the fitting. The plug has a hexagonal base and a threaded section. The drawing is a perspective view, showing the top and side of the fitting.

WFB 32-20

A technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows the internal threads of the female fitting and the external threads of the male plug, which is inserted into the fitting. The drawing is a perspective view showing the internal threads of the female fitting and the external threads of the male plug.

WFB 32-20

A technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows a cross-section of the fitting, which has a flange with four bolt holes. The plug is inserted into the fitting, and the drawing shows the internal threads of the fitting and the plug.

WFB 32-20

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with a cross-shaped handle on the left side. The handle has four rounded ends. The main body of the fitting is cylindrical and tapers slightly towards the right, where a threaded section is visible. The drawing is a perspective view, showing the top and side of the component.

WFB 32-20

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with four mounting holes. A 1/2 inch NPT male plug is inserted into the center of the fitting. The plug has a hexagonal base and a threaded section. The drawing is a perspective view, showing the front and side of the assembly.
