

A technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows the internal threads of the female fitting and the external threads of the male plug. The plug is shown inserted into the fitting, with a small gap between them indicating the seal.

WFB 32-20

A technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows the internal threads of the female fitting and the external threads of the male plug, which is inserted into the fitting. The drawing is a perspective view showing the internal threads of the female fitting and the external threads of the male plug.

A technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows the internal threads of the female fitting and the external threads of the male plug, which is inserted into the fitting. The drawing is a perspective view showing the internal threads of the female fitting and the external threads of the male plug.

WFB 32-20

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with four mounting holes. A 1/2 inch NPT male plug is inserted into the center of the fitting. The plug has a hexagonal base and a threaded section. The drawing is a perspective view, showing the top and side of the fitting.

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with a central threaded port. A 1/2 inch NPT male plug is inserted into this port. The plug has a hexagonal base and a threaded shaft. The drawing shows the internal threads of the female fitting and the external threads of the male plug.

WFB 32-20

Technical drawing of a 1/2 inch NPT female fitting with a cross-handle. The drawing shows a side view of the fitting, which has a cross-shaped handle on the left and a threaded body on the right. The handle is attached to a central nut that threads into the body. The body has a flange with four mounting holes. The drawing is a line drawing with no shading.
