

WFB 32-20

WFB 32-20

A technical line drawing of a shaft-hub assembly. The shaft is shown with a conical section on the left, a central cylindrical section, and a threaded section on the right. The hub is a disc-like component with a central bore that fits over the shaft's cylindrical section. The drawing illustrates the assembly of the shaft into the hub.

WFB 32-20

WFB 32-20

WFB 32-20

A technical drawing of a shaft-hub assembly. The shaft is a long cylinder with a conical section at one end. The hub is a shorter cylinder with a matching conical bore. The shaft is inserted into the hub, and the conical sections are shown in contact. The drawing is a perspective view, showing the front and side of the assembly.
