Technical drawing of a 3-position, 3-way solenoid valve, view 1. The drawing shows a perspective view of the valve body with a solenoid coil on top. The valve has a cylindrical body with a flange on the front. The solenoid coil is rectangular with a label on top. The drawing is a line drawing with no shading.

Technical drawing of a 3/2-way solenoid valve, view 1 (top view). The drawing shows the valve body with a solenoid coil on top and a handle on the side. The valve is labeled with '3/2' and '1'.

Technical drawing of a 3/2-way solenoid valve, view 1 (front view). The drawing shows the front face of the valve body with a central circular port. There are four mounting holes around the front face. On the right side, there is a solenoid coil assembly with a cylindrical body and a mounting bracket. The drawing is a line drawing with no shading.
