

A technical drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a threaded end and a flange with four mounting holes. A 1/2 inch NPT male plug is shown inserted into the threaded end.

A technical drawing of a 1/2 inch NPT female adapter with a 1/2 inch NPT male plug. The adapter is a cylindrical component with a flange on one end and a threaded port on the other. The plug is a cylindrical component with a threaded end that fits into the adapter's port. The drawing shows the components from a perspective view, highlighting the flange and the threaded sections.

A technical drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a flange at the front. The flange has four mounting holes and a central threaded port. The main body has a threaded section with a 1/2 inch NPT male plug inserted into it. The plug has a hexagonal base and a threaded tip.

A technical drawing of a 1/2 inch NPT female adapter with a 1/2 inch NPT male plug. The adapter is a rectangular block with four mounting holes on its side. The plug is a cylindrical component with a threaded end and a flange with two lugs.

A technical line drawing of a 1/2 inch NPT female connector. It features a cylindrical body with a threaded end and a flange with four mounting holes. A 1/2 inch NPT male plug is shown inserted into the threaded end.

Technical drawing of a 1/2 inch NPT female adapter with a 1/2 inch NPT male plug. The adapter is shown in a perspective view, highlighting its cylindrical body and the threaded ports on both ends.
