

10862683

A technical line drawing of a cylindrical mechanical component. It features a flange on the left end with eight radial slots. A central longitudinal hole runs through the entire length of the cylinder. The right end is slightly tapered.

ER-Collet chuck

10862683

A technical line drawing of a cylindrical mechanical component. It features a flange on the left end with a central hole. The body of the cylinder has several longitudinal slots or grooves. The drawing is shown in a perspective view.
