

10370860

A technical drawing of a cylindrical component, likely a bush or sleeve. It features a central longitudinal hole and a flange at one end. The drawing is a perspective view showing the internal structure and the flange's profile.

ER-Spannzange

10370860

ER-Spannzange

10370860

A technical line drawing of a cylindrical mechanical part. It features a central longitudinal hole and a flange at one end. The flange has a series of radial slots or grooves. The drawing is shown in a perspective view.

A technical drawing of a cylindrical component, likely a bush or sleeve. It features a central longitudinal hole and a flange at one end. The drawing is a perspective view showing the internal structure and the flange's profile.

ER-Spannzange

10370860

A technical line drawing of a cylindrical mechanical part. It features a flange at one end with eight radial slots. A central hole runs through the length of the cylinder. The drawing is shown in a perspective view.

ER-Spannzange

10370860

A technical line drawing of a cylindrical mechanical part. It features a central longitudinal hole and a flange at one end. The flange has a series of radial slots or grooves. The drawing is shown in a perspective view.
