WFB 20-12

A technical line drawing of a 1/2 inch female NPT pipe fitting. The fitting has a large, flared, hexagonal body with a central threaded hole. The threads are shown as a series of parallel lines. The body has several flat, rectangular sections. A 1/2 inch male NPT plug is inserted into the threaded hole. The plug has a long, tapered body with a hexagonal base and a small, cylindrical tip. The drawing is a perspective view, showing the top and side of the fitting.

WFB 20-12

A technical line drawing of a 1/2 inch NPT female pipe fitting. The fitting has a large, flared body with a threaded internal bore. A 1/2 inch NPT male plug is inserted into the fitting, showing the external threads of the plug and the internal threads of the fitting. The drawing is a perspective view, showing the top and side of the fitting.
