WFB 20-12

WFB 20-12

A technical line drawing of a ball valve handle. It features a cylindrical body with a series of horizontal grooves or ridges. A central shaft extends from one end, ending in a hexagonal base. The other end has a smaller, rounded protrusion with a small circular feature on its face.

WFB 20-12

A technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows a cylindrical body with a flange on one end and a threaded section on the other. The flange has a central hole and a small circular feature. The threaded section is labeled with '1/2\"

WFB 20-12

WFB 20-12

A technical drawing of a ball valve handle. It features a lever with a circular end face and a central hole. The lever is attached to a stem that has a threaded section at the end.
