

A technical line drawing of a mechanical component, possibly a valve or actuator. It features a central shaft with a handle on the left and a threaded section on the right. The main body is cylindrical with a flange and a small circular feature on the side.

WFB 32-20

A technical drawing of a 1/2 inch NPT female fitting with a 1/2 inch NPT male plug. The drawing shows the internal threads of the female fitting and the external threads of the male plug, which is inserted into the fitting. The drawing is a perspective view showing the internal threads of the female fitting and the external threads of the male plug.

WFB 32-20

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with a central threaded port. A 1/2 inch NPT male plug is inserted into this port. The plug has a hexagonal base and a threaded section. The drawing is a perspective view, showing the top and side of the fitting.

WFB 32-20

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with a central threaded port. A 1/2 inch NPT male plug is inserted into this port. The plug has a hexagonal base and a threaded section. The drawing is a perspective view, showing the top and side of the fitting.

WFB 32-20

A technical line drawing of a 1/2 inch NPT female fitting. It features a large, circular flange with four bolt holes. A 1/2 inch NPT male plug is inserted into the center of the fitting. The plug has a hexagonal base and a threaded section. The drawing is a perspective view, showing the top and side of the fitting.
