

Emissor de aproximação

Technical data

Electrical assemblies Proximity sensor
Length (mm) 118 Millimeter

Cross-section 2.5 Square millimeter

Voltage 24 Volt • 48 Volt • 230 Volt

Voltage type AC (alternating current) • DC

(direct current)

Protection class IP67

Switching function (1) NC contact • (1) NO contact

Measuring range max. (mm) 20 Millimeter

No 3-side view is currently available for this product
