

Current rectifier

Technical features

|                                |                          |
|--------------------------------|--------------------------|
| Ext. manufacturer product line |                          |
| Electrical assemblies          | Frequency converter      |
| Ext. manufacturer product line | M700                     |
| Current                        | 3.9 Ampere               |
| Voltage                        | 340 Volt                 |
| Voltage type                   | AC (alternating current) |
| Communication                  | Optical fiber            |
