

Cable

Technical data

|                            |                                                |
|----------------------------|------------------------------------------------|
| Electrical assemblies      | Electr. assembly lines                         |
| Length (mm)                | 6000 Millimeter                                |
| Cross-section              | 0.64 Square millimeter                         |
| Number of wires/poles (ST) | 2 Piece                                        |
| Voltage                    | 60 Volt                                        |
| Voltage type               | AC (alternating current) • DC (direct current) |
| Communication              | Profibus                                       |
| Plug connection/type       | M12                                            |
| Outer diameter (mm)        | 7.7 Millimeter                                 |
|                            | VT - violet                                    |
| Protection class           | IP67                                           |
| Shield                     | yes - shielded                                 |
| Insulating material        | PUR                                            |
